

Wendy is our quiet one. A sweet natured pup that saves her love for family members only. She is a snuggler and her eyes never leave your face. She is 14lb. A great granddaughter of my first schnauzer. She is DNA tested. A good momma!

Romeo is a sweetheart & a lover of all. He is 16lb. DNA tested and has champion lines. Imported from Serbia.

An example of Wendy & Romeo's previous litter. These pups are square & chunky with beautiful hair coats. Sweet natured, with calm personalities. Due march 21st, pups will be ready to go mid May.
